

Project 1005 Craven St.
Subject: Job Progress Photographs
Photo Date: 10.30.12

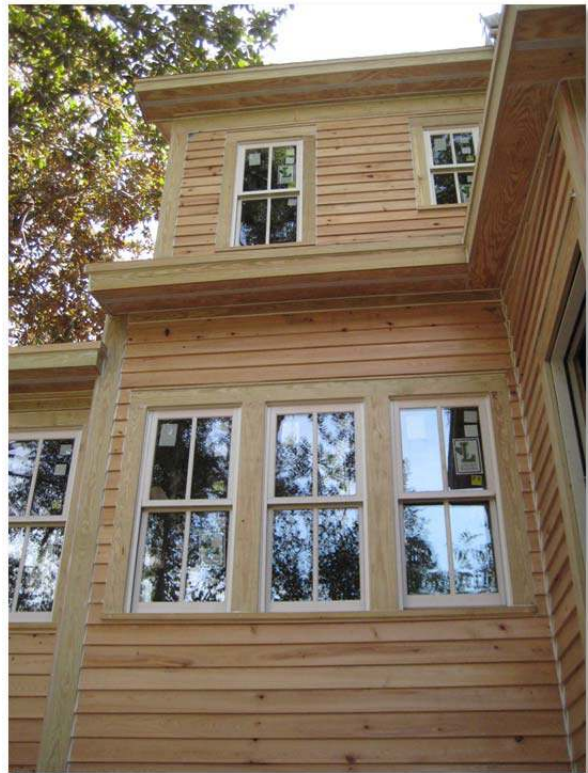

Screen Framing Installed waiting for the Bridge & pergola

Before, just a reminder of how far we've come

Cypress Looks perfect

I like the sculptural composition of this facade

Orland Diaz (Diaz Painting) prepping existing Siding for Priming

Screen Porch showing Screen framing

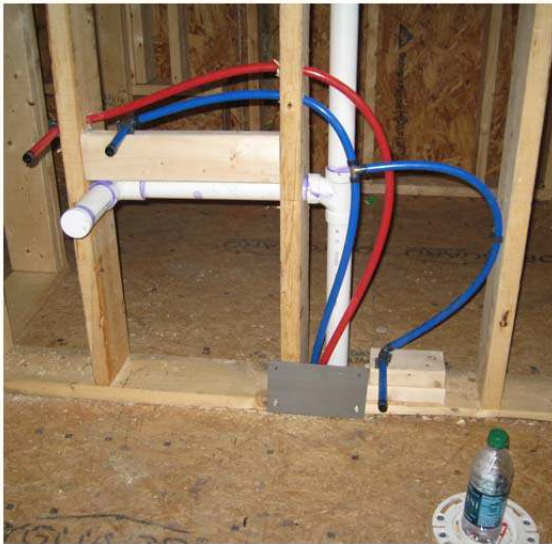

Siding & Trim Caulked tight nice neat work

Screen Porch Bay lines up nicely with Apartment Porch
(Yes I did think about it)

Apartment Porch Rail Prefabbed ready for priming

Neat well secured Plumbing Rough-in

Apt Return Centered in Flat Ceiling

Duct run in "Chase" in kitchen Ceiling

Neat transition out of Mechanical "Loft" to LR Soffit

Supply and return in Hallway - Air Handler in Front Foyer ready to go in
